Service, Safety & Operational Check Plan

Our expert technicians do physical work on your car, such as replacing oil and oil filters. We also run operational checks to ensure that everything is in perfect working condition.

As they work through their checklist, our technicians will identify any periodic maintenance or repairs that are required — we will discuss the cost for these with you before doing any further work.

What we do:

1	Remove wheels to access brakes
2	Visually inspect & measure front brakes
3	Visually inspect & measure rear brakes
4	Adjust the handbrake
5	Lube front bonnet catch
6	Lube rear boot catch
7	Reset all tyre pressures including spare tyre or check TRK expiry date
8	Reset tyre pressure monitoring system
9	Measure & record the tyre tread depths
10	Drain engine oil
11	Replace oil filter (*turbo models – turbo B service only)
12	Replace engine oil
13	Change sump plug washer
14	Torque sump plug
15	Top up differential fluid as required
16	Lube door hinges, clean check straps & check door handles' operation
17	Fill window washer bottle
18	Inspect window wiper condition
19	Complete road test
20	Connect the Honda DST-I diagnostic tool to check vehicle systems & run software updates

What we check:

21	Engine starting performance
22	Steering operation
23	Brake travel
24	All windows are operating correctly
25	All gauges, washers & wipers
26	Operation of vehicle horn
27	All interior lights
28	Exterior lights, indicators & brake lights
29	Heater & air conditioning system
30	Operation of all seat belts
31	Brake fluid level & condition
32	Clutch fluid level & condition
33	Radiator inhibitor condition
34	Coolant level
35	Transmission oil level & condition
36	Air filter element
37	Power steering fluid
38	All drive belts
39	Spark plugs
40	Check & test battery condition & terminals. Recharge IMA / e:HEV hybrid battery to full charge – if applicable
41	Pollen filter
42	Front wheel bearings
43	Steering rack & joints
44	Front suspension joints
45	Front brake lines, hoses & shock absorbers
46	Rear wheel bearings
47	Rear suspension joints
48	Rear brake lines, hoses & shock absorbers

We'll return your car washed, vacuumed and tyres blacked, ready to go.

Terms and conditions:

Eligibility

Honda Certified Used (HCU) Vehicle Service Plan can only be purchased up to and including 30 days from your vehicle purchase date.

The HCU Vehicle Service Plan is not available on Government, Rental, or Fleet purchases and Leases.

Vehicle Servicing

It is the responsibility of the customer to ensure:

1. The 3 Standard services must be completed at an Authorised Honda outlet – see honda.co.nz.
2. Servicing must be scheduled and completed in the time / kilometre interval, as stated in the Honda New Zealand Service Schedule for your vehicle.
3. All necessary additional maintenance identified during the service is completed in the timeframe recommended, at your cost.
4. The HCU Vehicle Service Plan does not include vehicle relicensing / registration / periodic maintenance items such as brake fluid, transmission oil, pollen filter, air filter, spark plugs etc. These are additional costs, charged to you as required.
5. Wear and tear items such as tyres, brake pads, wiper blades etc, are not included in the Service Plan and are additional costs charged to you as required.

WOF Inspection

1. Use of the 3 WOF inspections included in the Service Plan depends on your vehicle age and WOF requirements.
2. WOF inspections must be at an Authorised Honda outlet, before the specified WOF expiry date.
3. WOF Inspections can be carried out 14 days prior to retain the same WOF expiry date.
4. Any WOF failure resulting in repairs due to normal wear and tear such as tyres, brake pads, wiper blades etc, are not included in the Honda Certified Used Vehicle Service Plan and are additional costs charged to you as required.
5. Any penalty or infringement due to WOF expiry is to be paid by you.

Contract Expiry

3 years after the date of purchase, or maximum of 3 Services, whichever comes first. Your Authorised Honda outlet can provide details, and the kilometres are specified in your HCU Service Plan agreement.

The HCU Vehicle Service Plan is not transferable with the sale of your vehicle.
