

ALL-NEW
RENAULT DUSTER

Powerful design

Robust off-roader looks

Built for adventure, All-new Renault Duster is a vehicle of distinctive styling. The tone is set by the aggressive lines and chrome trim of the grille, alongside a raised waistline and powerful C-shaped light signature. These strong, powerful lines are enhanced by 16- alloy wheel rims that underline the car's character. A car to open new horizons.

A cabin designed for you

The interior of All-new Renault Duster reflects its generous, adventure-seeking nature. The spacious cabin is bright and reassuring. The driver* and passenger seats provide plenty of support to ensure your comfort wherever you go. The upholstery features a high-quality finish, as does the dashboard, where particular emphasis was placed on ergonomic design. Behind the steering wheel, adjustable for height and reach, TFT digital meters invite you on an inspirational and illuminated tour of discovery.

*With armrest and lumbar adjustment.

Harnessing the spirit of adventure

Nothing stops All-new Renault Duster, neither sharp slopes, nor steep tracks. Hill Start Assist let you drive anywhere with ease. At the same time, the Multiview camera acts as a third eye, highlighting any holes, stones or obstacles likely to get in your way. Explore without limits.

Easier city driving

Drive with an easy mind. Use the remote central locking to lock and unlock the doors from a distance! All-new Renault Duster likes to take care of you. On the road, the blind spot warning picks up any hidden vehicles, while the speed limiter and cruise control functions help you concentrate on your driving. Delivering real support, in the city and elsewhere!

Heading for the wide open spaces

What could be more exciting than setting out on an adventure with your family or friends? It takes just a few seconds to adapt the modular interior layout of All-new Renault Duster to your needs or requirements: the rear bench seat features a 1/3-2/3 split-fold function, while the boot boasts record loading capacity*. Duster features an array of storage compartments around the cabin, from the doors to the seat backs via the central console. Your passengers enjoy every comfort.

1,2.

1. Towbar kit: Essential for safely towing or carrying your equipment – e.g. bicycle rack, trailer, boat, caravan, etc. With its tool-free removable, it does not detract from your vehicle's looks. Recommended for frequent use.

2. Express Hang On bicycle rack – on towbar: Whether alone or with a passenger, take your bikes with you – quickly, simply and safely! Foldable and tiltable, it always leaves the boot accessible, even when the bikes are installed on the bicycle rack.

3. Side steps: Strike off the beaten path with go-anywhere styling. A convenient accessory that makes it easier to access your vehicle and its roof.

4. Roof racks: Increase the versatility of your vehicle and travel without compromise! Practical, sturdy, and aesthetically pleasing – all the qualities you need.

5. Floor mats: Choose from either carpet or rubber floor mats to protect your Duster's interior. Perfect for all applications.

6. EasyFlex modular boot protection: Non-slip and waterproof, it is essential for protecting the boot of your vehicle and transporting bulky and dirty items! It adapts to the configuration of the rear seats to cover the entire loading area.
