High performance technologies

300 hp! Fitted with Renault F1 team expertise, the direct injection 1.8 L engine is fitted with a turbocharger with turbine mounted on a ceramic ball bearing. Combined with a dual-clutch EDC automatic gearbox, it provides a torque of 420 Nm (400 Nm with the manual gearbox) and reduced response time for increased efficiency. An engine performance helped by the exhaust line with check valve which makes it possible to act on the sound. The 4CONTROL system with 4-wheel steering and hydraulic compression stops provide optimum road holding and grip. Exclusive on New MEGANE R.S. Trophy, the Torsen® limited-slip mechanical differential and bi-material front brake discs provide unequalled performance. Powerful, agile and efficient, New MEGANE R.S. and R.S. Trophy offer the best in Renault Sport technology, for unique driving sensations.

*Available as an option on New MEGANE R.S.
